

## Dinanath Kholkar, IEEE Pune section, TCS

---

While I have been aware of GMRT, given the Tata group connection, I got closely involved in the process of nominating it as an IEEE milestone. It was my honour and privilege to have handed over the IEEE milestone plaque to the GMRT leadership and subsequently organise a webinar along with them on world astronomy day. GMRT is and will always be a big inspiration for many across the world and a true showcase of #AtmaNirbharBharat

# IEEE Milestone Recognition to GMRT facility
